

NAPMW ADVERTISING:

The Tulsa Green Country NAPMW Association of Professional Mortgage Women produces and distributes a local, monthly newsletter for its membership which is accessible through the internet website. If you have advertised with us in the past, we thank you for your support and encourage you to do so again. If you have never used this service, we encourage you to give it a try.

The newsletter is titled, *Points of Interest*, and contains a mix of local Association chapter news, membership information, national NAPMW news and updates on regulations. The advertising from our generous members help support NAPMW and the preparation of this very important newsletter.

As an advertiser, you will not only assist with the production expenses of the *Points of Interest*, you will also receive the following benefits:

Exposure: Our newsletter reaches over 100 local members. These members are mortgage professionals, including loan originators, processors, closers, underwriters, managers to abstractors and title companies and surveying companies, as well as appraisers.

Mixed Media: Your ad will also appear on our local Association's website at **no additional charge**. This newsletter is sent to the NAPMW Central Region office and the NAPMW National office, and can be found on their website. You will not only have local coverage but also national coverage as well.

Competitive ad Consistent Rates: Our rates have not changed for several years and will not change this year, and are very reasonable starting at just \$100 per year.

Ability to Change Your Ad: Your ad can be modified to highlight a particular promotion or event, or change of address, etc.

Value & Benefit to You: In addition to the normal results of advertising, by using the newsletter, you are also getting to know the different mortgage lenders, abstractors, title companies and appraisers. We offer individual advertising as well as company advertising, and can be done simply by providing us with your business card, which will be shown in the newsletter for a low cost of just \$25.00.

Rates Include Monthly Advertising: Rates listed below include 12 months from August through July, but if you start late, you will only be charged to the number of months you are using the service through July. Yearly rates are as follows:

¼ page:	\$100
½ page:	\$175
Full page:	\$250
Individual (Bus. card):	\$25

Also, as an extra benefit, the \$250.00 full page ad will qualify you for:

1. A full page ad in the monthly newsletter for NAPMW.
2. General recognition and hyperlink on our local website.

We hope you will give us a try or renew with us for another year from August 1, 2009 through July 31, 2010. We are certain you will be glad you did. If you have any questions, please feel free to give us a call and we will do our best to help you in any way we can.

We are starting fresh with advertising beginning August 1, 2009, so if you would like to take advantage of this opportunity, please let us know what type of ad you would like to submit, as well as your check for the amount due. Also, please send a print ad along with your check.
