We're very excited about our joint meeting this year with OMBA. In addition to our annual silent auction, we will have a special speaker, Dr. Gary Lacefield, President & Senior Consultant with the Risk Mitigation Group from Arlington, Texas. He is a national expert and consultant in Lending Regulations and will be speaking on all the recent and upcoming changes. He will specifically address the new National Mortgage Lender Registration System and the Safe Act as it applies in Oklahoma. He will be available for questions.

We'll have lots of great items for our silent auction. If you would like to donate to the auction, please email Shelly Halley @ shellyh@guarantyabstract.com or reply to this email to Linda Scott & she will forward your information.

Our menu for the evening will include a carving station featuring oven roasted ham & turkey, mashed potatoes, Keith's famous dressing, turkey gravy, traditional green bean casserole, buttered corn, tossed salad, pumpkin, pecan & apple pie.

We normally have a big crowd for the joint meeting, so please get your reservation in early. For questions and to RSVP, please contact, Linda Scott, rks@tulsacoxmail.com, or call 749-6995.

Please note: if you do not cancel your reservation ahead of time or send someone in your place, you will be charged for the dinner as NAPMW is charged either way.

Hope to see you there!
